Dear Lord and Heavenly Father, I thank you and praise you for the possibility of peace on the Korean peninsula. I know that without the Prince of Peace, true peace is impossible. According to your perfect will, I ask that you would please remit all of the sins committed in North and South Korea and the United States back to Adam and Eve, in the air above, the ground below, and all around, in the natural and spirit world, by the power in the Blood of Jesus according to John 20:23. I am very sorry for them. Please send your angels to clean every satanic, witchcraft mark, trap and portal. I break the power of every spell, hex, vex, curse, incantation, witchcraft, psychic prayer, blood sacrifice, and all evil rituals performed back to Adam and Eve that may hinder peace in the land and people. May every weapon and tongue that rises up against peace in these countries and in the world be condemned (54:17).

I thank you for giving me the keys of the kingdom (Matthew 16:19) and I use them in faith now. I loose spirits of judgment, burning (Isaiah 4:4), destruction, blindness, deafness, dumbness, confusion, civil war and fragmentation on every evil spirit power in the second heaven, the earth, and under the earth and in the sea, including all princes, principalities, powers, thrones, dominions, witches, warlocks, occultists, humans and spirits that may try to interfere with peace in these regions. I ask that you would send the fear of God Almighty into the camp of the enemy (Exodus 23:27). Confuse and confound their languages (Genesis 11:9) and give them memory failure (Proverbs 10:7). Break them with a rod of iron and dash them into pieces like a potter's vessel (Psalms 2:9). Holy Spirit, please be an all consuming fire on all evil spirits in the people and leaders of these countries. Please send all of your heavenly host into battle against the enemy. Block all re-enforcements, lay lines and traveling routes of the evil spirit world. Frustrate, disappoint, and spring every trap that Satan and the evil world may employ.

I now loose spirits of power, love, sound mind, faith, truth, knowledge, wisdom, meekness, humility, longsuffering, temperance, peace and joy into the people and leaders of these countries. Please pour out and fill them with your Holy Spirit and have mercy on them. Give them heavenly dreams and visions and draw them to your son Jesus Christ and save their souls.

Lord, if it is your will for the peace talks to take place between the US and the North Koreans, I ask that you would shield and protect the leaders and influential advisors of these countries in every possible way, especially President Trump and the North Korean leader. Please cover them with the Blood of Jesus, the armor of God, place a wall of fire around them, and encamp your mighty angels around them to shield them from all attacks of the enemy. Please shield their minds from all forms of demonic mind control and satanic influence. Muzzle and dispose of the witches and warlocks and evil familiar spirits which may be influencing them for evil. Please assign an angel to each person in the peace talks to read the gospel to them and sing over them day and night to drive away all evil spirits until the talks are completed. Give them divine knowledge, wisdom, and guidance to make good decisions and avoid evil traps.

I ask that you would apply these same protections to the location of the peace talks wherever they may be. May your angels build up a mighty encampment in this location and drive out all evil powers leading up to and throughout all peace talks. Stir up your people all over the world to pray for peace in North Korea. I thank you and praise you and give you all the glory, in Jesus name I ask these things, Amen.

Prayer for truth and justice to prevail in United States politics.

Dear Lord and Heavenly Father, according to your will I pray for justice and truth to prevail in the United States. I ask that you would set all of heaven into motion to break down Satan's demonic walls and barriers that have been set up to keep the truth from coming out in Washington D.C. and throughout the country, especially as it concerns political lying and deception. I ask that all of the witchcraft mind control and familiar spirits in our leaders would be muzzled and cast into the lake of fire. Please free the minds of our leaders from all evil spirits. Please remit their sins by the power in the Blood of Jesus, cover them with your protections daily, and place an impenetrable shield around them. I ask that they would be covered with the Blood of Jesus and the armor of God and for an encampment of angels to surround them wherever they may go. Fill them with the Holy Spirit and the fruits of the Spirit and guide and lead them out of the darkness.

I pray that there would not be a double standard for justice in this world where one set of laws applies to the average person but not the elite. Lord, please bring the wicked to justice and expose the deeds done in the darkness. Shine the light of truth on the world and bring the wicked to justice. In Jesus' name I ask it, Amen.
